There was a cloud, at first no "bigger than a man's hand." It overspread Arkansas like the Baxter-Brooks imbroglio, and was quite as black, and played havoc with trees, signs and awnings. All those signboards representing men Picnic at and women at the front of clothing and milliner's stores-men and women-a ghastly collection of statues-wen whirling and waltzing down the side walk, until the west side of Main pre-sented the appearance of an elongated ballroom in a model madhouse. It was eresting tempest, and gave the city a most vivacious appearance, and a

very dusty face. -By reference to an advertisement it will be seen that our well-known citizen D. P. Hadden, and other prominent citizens, have on hand a plan for macadamiging Rayburn avenue from its interection with Broadway to McLemore avenue; thence by the driving park to Gill's station, across the Charleston rali-road to the Pigeon Roost road, and back to the city. This tumpike, when completed, will make a magnificent rive, and afford to Memphis a 2:40 ad that we may well feel proud of,

-EDITORS APPEAL—In your issue of Wednesday last was published an "order of the police board," "calling the atention of the chief of police" to certain ouses as the resorts of thieves. Among the houses named was my place of business, No. 44 Washington street. Since the issuance of an order by the police board one month ago, no women have The recorder yesterday fined eight inmates of a house of ill-fame ten dollars discount fine and the proprietress was fined fifty dollars.

—At the cotton exchange a curiosity is to be seen—the fibers of the Petre bouldt kized—the fibers of the Convert to be seen—the fibers of the Petre than the sea woman's hair, and five feet in length.

—Richard House colors to convert the proprietress was fined fifty dollars.

—At the cotton exchange a curiosity is to be seen—the fibers of the Petre than the sea woman's hair, and five feet in length.

—Richard House colors to convert the proprietress was fined fifty dollars.

furnished by the company. The writer says Wolf river water is not fit to drink,

says Wolf river water is not fit to drink, and the work is a failure. My experience of a few weeks is very different. As to the alleged failure to supply the drinking and therefore do not speak, but in my house the supply has never failed, and the water is of set water seed quality—better, I think, than that of St. Louis. I have no cistern, and use this water exclusively for drinking, cooking, washing, baths, water-closets, and all other purposes. The water is usually quite clear, very palatable, sufficiently cool without ice, and delightfully soft for washing. We have not used a particle of ice this summer, and if the company continue to supply as good.

The FLUID.

E. Urquhart & Co., at No. 334 Main a freel, years for him a field that just now does not driends present to witness practical tests made, with the celebrated Crystal-Head light Coal Oil, which, for reasons shown below, well merits this name. The one, and the only serious objection to the use of coal oil, has been the danger to life and property attending its unexpected explosion. The various measures used to purify and free coal oil of its inflammable elements, and at the same time to retain its
